

Dear Community Partner:

The 2018 5th Annual Knees 2 War 10K, 5K, and 1 Mile Run/Walk will be held in Chouteau, OK, on **Saturday, November 3, 2018**. Over the past four years, this event has helped Touch India Ministries raise funds to support the greatest needs of the Thomas Children's Home for the Needy in India. The profits have been used for monthly home operation cost (food, clothing, shelter, education, and rent), repairs, completion of school roof, and saving to buy land for a new children's home.

The current children's home is in rental property, and it is the desire of Touch India Ministries to build their own home in order to provide the opportunity to care for more children and to eliminate the monthly cost of rent. Land has currently been purchased, there are funds to start building the first floor, and now funds are being raised to complete the new home building that will provide food, clothing, shelter, education, and loving care for needy children. In the present home, there are 47 children. Some are orphans; others are pastors' children from areas where they are persecuted for their faith in Jesus, and the remaining children are from homes that simply cannot afford to provide for them.

Your support of the 5th Annual Knees 2 War Run/Walk is an eternal investment in the lives of people across the world. Please consider joining us as we put our "Knees 2 War" for the cause of Christ.

See the attached sponsorship form for ways to partner with us.
