Dear Community Partner:

The 2019 8th Annual Knees 2 War 10K, 5K, and 1 Mile Run/Walk will be held at the Central Assembly Family Life Center in Enid, OK, on **Saturday, March 30, 2019**. Over the past seven years, this event has helped raise funds to support the greatest needs for a children's home in India.

The children's home provides food, clothing, shelter, education, and loving care for needy children. Currently, there are 47 children living in the home. Some are orphans; others are pastors' children from areas where they are persecuted, and the remaining children are from families that cannot afford to provide for them. The Thomas Children's Home is in rental property, and it is our desire to build our own home in order to care for more children and to eliminate the cost of rent.

Your support of the Knees 2 War Walk/Run is an eternal investment. Please consider joining us as we put our "Knees 2 War" to fight for children in need. (See the attached sponsorship form for ways to partner with us.)

Run with Purpose,
