Dear Community Partner:

The 2020 6th Annual Knees 2 War 10K, 5K, and 1 Mile Run/Walk will be held at the First Baptist Church of Chouteau in Chouteau, OK, on **Saturday, November 7, 2020**. Over the years, this event has helped Touch India Ministries raise funds to support the greatest needs of the Thomas Children's Home for the Needy in India.

The Thomas Children's Home provides food, clothing, shelter, education, and loving care for needy children. Currently, there are 28 children living in the home. Some are orphans; others are pastors' children from areas where they are persecuted, and the remaining children are from families that cannot afford to provide for them. The Thomas Children's Home is in rental property, and it is the desire of Touch India Ministries to build their own home in order to care for more children and to eliminate the cost of rent.

Your support of the Knees 2 War Walk/Run is an eternal investment. Please consider joining us as we put our "Knees 2 War" to fight for children in need. (See the attached sponsorship form for ways to partner with us.)

Run with Purpose,

K2W Coordinator
